## <FF\_CM\_Firstname>, take part in the new and exciting Five to Twelve survey!

Hello <FF\_CM\_Firstname>,

Thank you for being part of the Five to Twelve study. When you were in year 1, someone from the study came to visit you. They might have played some fun counting and naming games with you.

Now that you are older, we want to hear from you again. This time, we would like you to take part in our new child survey! Your mum, dad or another grown-up who looks after you can help.

We will ask you to watch a short video and then answer some questions about you on a computer, laptop or mobile. There are no right or wrong answers. We just want to know what you think. We have included a special certificate and some fun stickers in the envelope to say thank you.

### How to take part

1. Go to this website [survey.natcen.ac.uk/FiveToTwelveY3child](https://survey.natcen.ac.uk/FiveToTwelveY3child) or scan the QR code with a mobile phone (ask your parent or carer for help if you need).
2. Enter your own password: <AccessCodeCM>
3. Watch a video and answer some questions.

If you have any questions, you can ask your mum, dad or carer. They can help you with the survey, or they can call or email us if they need to.

★ Thank you! You are a star.
